

--- WRAP UP ---

**TEAM PLAY**, as we affectionately call it, continues to be one of the most popular programs of Women's Public Links Golf Association of Southern California.

--- 2009 STATS ---

85 teams in 17 Divisions  
57 Member Clubs - 1050+ players  
Weekly March 2<sup>nd</sup> thru April 6<sup>th</sup>  
590 + players on 74 teams competing on 19 courses  
FINALS – Week of April 13<sup>th</sup>  
32 teams – 256 players competing on 8 different courses

Obviously, a program of this scope would not be successful without those who volunteer their time; all who participate; and the many that support the effort for the *good of the game*.

--- RECOGNITION ---

1. The set up, scheduling and coordination for Team Competition are the time-consuming and very daunting responsibilities of the WPLGASC Team Chair and Committee. Plans are made and reservations are secured as early as the previous September for the following year's play. There is very seldom a dull moment from that time until the final match on the final day!

**Thank you to Sharon R. Hanley, WPLGASC Team Chair and her committee!**

2. We are very lucky to have the excellent cooperation and understanding of the pros and managers of all team courses. **When you talk to those great people, say *Thanks for your help!***
3. Team Captains are responsible for the management of their club teams. Without their excellent organization, this widespread and extremely involved competition would not be possible. **Let them know you realize the great job they do!**
4. Finally, the interest and support of the many loyal members of all club teams is the underlying reason that preserves the tradition of *WPLGASC Team Play*. **Stop now and give yourselves a big pat on the back and/or a rousing round of applause!**

The WPLGASC Board of Directors recognizes this monumental *Team Effort* from all of you!

Your support of our events, specifically in this instance *Team Play*, is fantastic.

Without you, we could not continue our efforts to provide the programs that keep us all

**SWINGING THROUGH LIFE!**

***Thank you to every team member on every club roster!***

***Thanks to those who cannot compete but cheer for their teams!***

***Congratulations to each Division Winner and the Final Area Champions!***

***Awards will be presented on December 7, 2009 at the Annual Meeting.***

***All teams and all members are invited to attend.***

***It is very special when entire teams are able to join us.***

***We sincerely hope you will be there!***
