- Playing indices for the 2012 season will be calculated using all 24 updates from February 15, 2011 to February 1, 2012. The indices will be posted on this site shortly after the February 1, 2012 GHIN update.
- If you are the Team Captain for your club, please make sure your name and address are listed as such on the online Club Information Sheet, as that list is used for all communication and mailings.
